2023 Junior Golf Program

The mission of the golf staff at Butte des Morts Country Club is to promote the game of golf for all members of all age groups. This objective includes the children and youth of Butte des Morts Country Club.

Primary goals for the Junior Golf Program include:

- Establish an environment from which the children will enthusiastically embrace learning the game.
- Ensure a safe learning environment by utilizing adult instructors from the golf staff and encouraging parental participation to assist monitoring the children during on course sessions.
- Provide a structured learning program that considers the rate of motor skill development of each age group and each child.
- Introduce children to appropriate conduct and etiquette necessary within the game and reveal to children the importance of how the “Rules of the Game” represent an essential part of the golf experience.
- **Have Fun Learning the game of golf!!!**

These holes are to be played with a member of the Xavier boys Golf Team, a member of the Appleton North Girls team or a parent, grandparent or guardian walker. We will typically have enough Golf Team members to be walker/scorers but there may be some days when parents/grandparents are needed to walk/score with their Juniors. Please designate the days you are available on the registration sheet should we need you. Parents and Grandparents are always encouraged to walk along if they would like to.

Hole designations will be decided by the golf professional staff and are designated by age, ability and social considerations. The Butte des Morts Country Club Jr. program will start at age 5 for the No holers and range to age 17.
