LADIES GOLF

LADIES GOLF

Wednesday mornings each week

The Women's Golf Group plays every Wednesday morning and ladies are welcome to sign up in their own groups or the Golf Shop can pair you up with a group. The Women's Golf Group promotes friendly competition and enjoyment of the game of golf and each other. Each week we will have a different special event that appeals to all handicap levels. Every Wednesday we will have 3 tee times reserved at 9:00 that will be available for anyone to sign up if they do not have a game. This will allow our Ladies to play golf with a wider group of members throughout the year and not have to worry about making a game every week if they choose not to. You may, as always, make your own group and play whenever you wish on Wednesday mornings also.

TUESDAY EVENING 9 HOLE GROUP

Tuesday Evenings beginning May 14th

Each Tuesday evening our BDM Ladies will have the opportunity to get together at 5:30 pm and play 9 holes with each other. This is a great way to get to know and play with some ladies you may not have played with before. The Ladies will make their own pairings via foretees and anyone who is looking to play without a group will be paired up by the Golf Shop Staff. We would like to promote a fun and social atmosphere for these Tuesday nights. There will be no format for these events so if your group would like to play a scramble, that is fine and if you would like to play your own ball, that is fine also.

Time: Each Tuesday evening at 5:30 pm

Sign Up: We ask that you sign up via Foretees or notify the Golf Shop each Tuesday by 4:30 pm if you are interested in playing so that we can have the golf bags and golf carts set up before you arrive.
